"Warbonnet" was a winning boat in Marblehead in the 1980's, cruised for 30 years and now raced again the last three. FAST AND FUN! She has provided our new racing team an opportunity to be competitive; third place in both Jubilee and Boston Yacht Club series. For a change of pace, we put on the old rags, hook up the automatic pilot and sail singlehanded for weekend get-a-ways. She can be seen at the Jubilee Yacht Club in Beverly, MA. Presently on the hard, but could be delivered "race ready" in May or June 2023.
